

SEPARATION DAY SONG

(to the tune of Sweet Caroline)

When it began

We know it **was** June 15th

We left Pennsylvania

We left the King

And did it in New Castle

Who'd've believed we'd start a State?

Del-DELAWARE

FOUNDED HERE, JUST FOR YOU, FOUNDED
HERE!

Separation Day

When we founded Delaware

[right here right here right here](#)

WE LEFT PA

And England and King George

but now we...

...are the 1st State

and it's the best thing ever

We have cities and beaches

***BRING WORDS WITH YOU TO THE PARADE TO
SING ALONG!***

JOIN US ON JUNE 13TH

We have the river

that we **own** completely

from **our** banks to theirs

Del-Delaware

STARTED HERE, Just for us, Just for us!

Separation Day

When we founded Delaware

[right here right here right here](#)

WE LEFT PA

And England and King George

and today is...

Separation Day

When we founded Delaware

[right here right here right here](#)

Separation Day

And we did it right here

Separation Day

When we Founded Delaware (fades out...)
